About the programme

Our level 5 healthcare course is a QQI accredited distance learning course. Once enrolled you will be assigned a tutor whom you can contact through email & scheduled phone calls. During your course, you will be required to complete 20 hours of work experience per module. After successfully completing this course you will be qualified to work as a healthcare assistant, carer and care worker in an HSE registered healthcare setting.

Entry Requirements

No particular skills, knowledge or competence will be required of you for successful completion of this course, however you will be expected to have a minimum of Level 4 Certificate standard of education or equivalent together with a strong interest in the provision of quality care. It is essential that you have competence in written and spoken English, along with computer literacy skills.

Student Support

- Comprehensive support from our full time in-house tutors through email, phone, webinars and a discussion forum
- Additional supports available to learners include:
 - Peer-to-peer support through the online discussion forum
 - Pastoral care & CV guidance
 - Specific support for learners (via reasonable accommodations)

Career Opportunities

After successfully completing this course, you will be qualified to work as a healthcare assistant, carer and care worker in an HSE registered healthcare setting. You will also be qualified to progress to further education.

HEALTHCARE SUPPORT AWARD (ONLINE)
